## History

In 1974 the North Carolina National Guard Association Ladies Auxiliary was voted into existence and was the first organization of its kind in the United States. The Auxiliary obtained a charter from the State of North Carolina on May 7, 1980. In 1988 the Auxiliary changed its name to the North Carolina National Guard Association Auxiliary (NCGA Auxiliary), a non-profit organization.

The Auxiliary is governed by an elected Board of Directors and comprised of the following: President, Vice President, Secretary, Treasurer, Reporter-Historian, Immediate Past President and Chaplain. The officers, with the exception of the Immediate Past President and Chaplain, are elected by the membership every two years at the annual meeting. The Chaplain is appointed by the President.

## Goal

Our goal is to promote understanding, cooperation, friendship and association among the families of the North Carolina National Guard members.

## Organizational Support

The NCGA Auxiliary, an auxiliary to the North Carolina National Guard Association, supports the NCGA Educational Foundation, Inc., the North Carolina Military Historical Society, EANGUS Auxiliary, the National Guard Family Program and the National Guard Military Center in attaining their goals and objectives plus providing support and fellowship.

## Membership

The membership of the Auxiliary is composed of spouses and parents of life, active, retired and deceased members of the North Carolina National Guard Association. Any citizen who has rendered favorable service to the NCGA and/or the Auxiliary shall be eligible for election to honorary membership.

## Memorial Scholarships

The NCGA Auxiliary scholarship was established in 1988. The NCGA Auxiliary scholarship was re-named the Dorothy Ledbetter Memorial Scholarship in 1994.

The Board of Directors approved the establishment of the Lucille Webster Stalls Memorial Teachers Scholarship at their March 2007 meeting.

Contributions received from individuals and groups along with their support of the fund-raising projects are important in funding these two scholarship. The funds are applied to tuition and fees only and paid directly to the learning institution.

The funds of these scholarships are administered by the NCGA Educational Foundation, Inc. and should be contacted for applications. The contact number is 800-821-6159 extension 5.

Recipients of these scholarships must meet the criteria as set forth in the scholarship and the NCGA Educational Foundation, Inc. application and be a spouse, Guard member, or a dependent of someone who has served in the North Carolina Army or Air National Guard.

## Benefits

By being a member of the Auxiliary, you are entitled to all the benefits of the North Carolina National Guard Association. These benefits include discount admission cards to various theme parks, car rental agencies, membership in the State Employees' Credit Union and scholarships available to you and your dependents from the NCGA Educational Foundation, Inc. You and your guest may attend and participate in the annual convention of the North Carolina National Guard Association. The Auxiliary encourages participation in letter writing campaigns for legislation to benefit active and retired Guard members.
